

The Strugglings of a faithful young man (1)

An illustration featuring an angel on the left and a young man on the right. The angel is depicted in grayscale, with large, detailed white wings and a serene expression, looking towards the young man. The young man has brown hair and is wearing a bright green short-sleeved shirt with a white collar. He is looking back at the angel with a slight smile. The background consists of a textured stone wall. A bright, glowing light source is positioned between the two figures, creating a lens flare effect. The title 'Half An Hour Challenge' is written in a large, green, cursive font across the center of the image.

This young man is a believer who loves God and does not care about anyone else

The story started one day when the believer was at home..

For sure, the angel - entrusted with him - and the devil were watching him from their world..

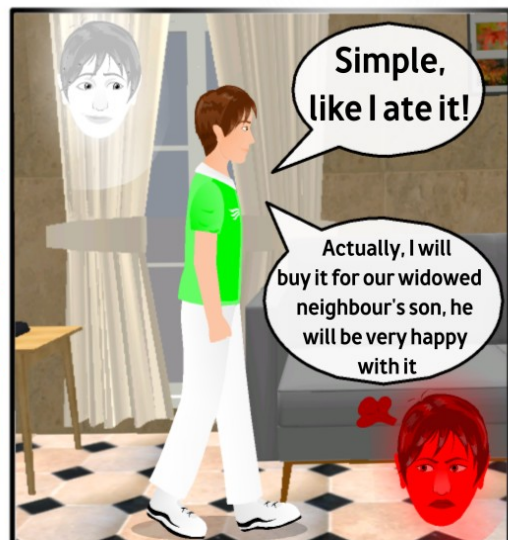

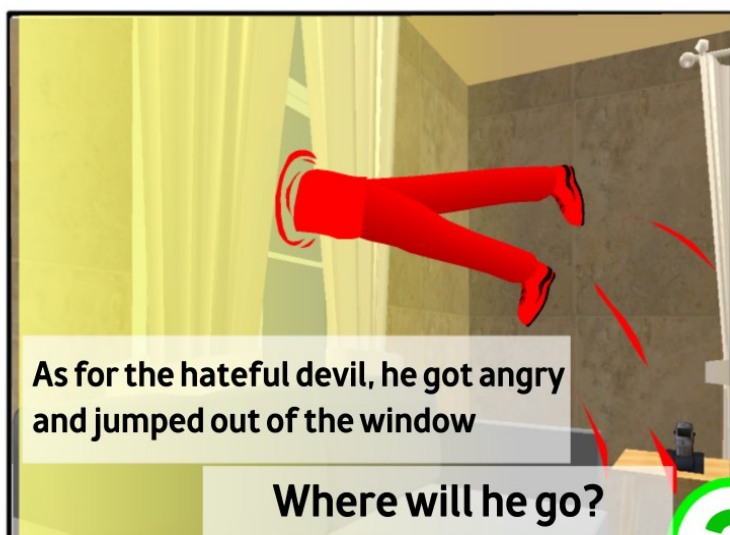

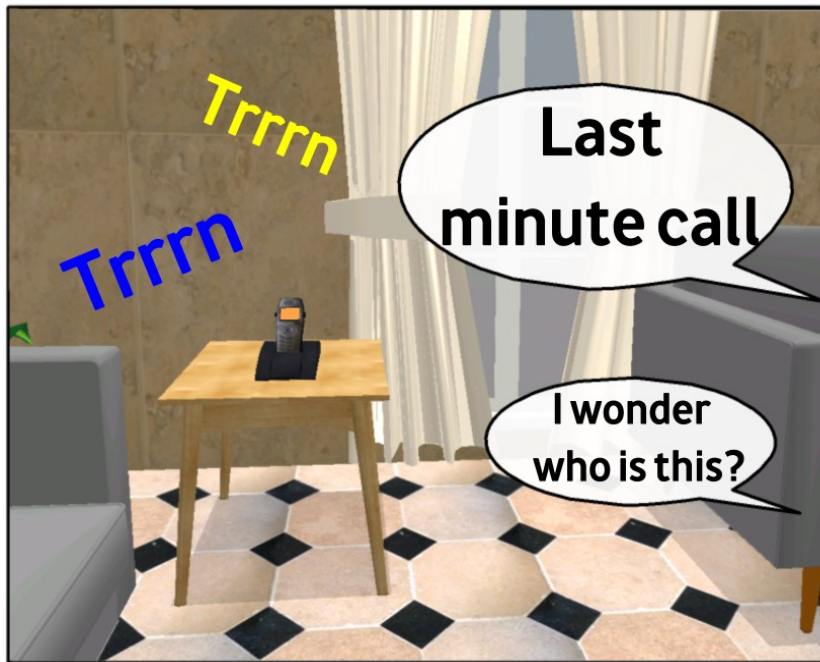

But..

They ask you, [O Muhammad], what they should spend. Say, "Whatever you spend of good is [to be] for parents and relatives and **orphans** and the needy and the traveler. And whatever you do of good - indeed, Allah is Knowing of it."

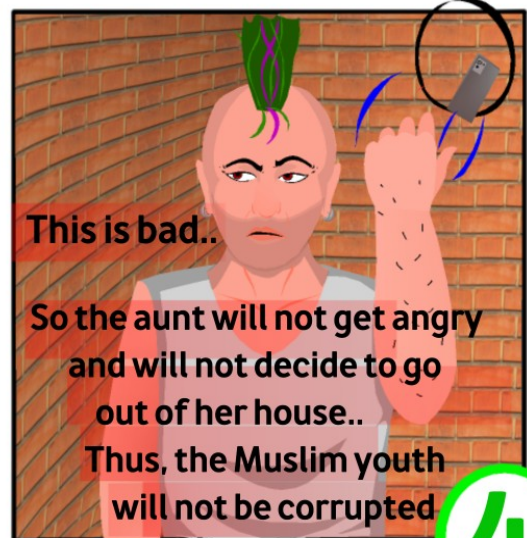

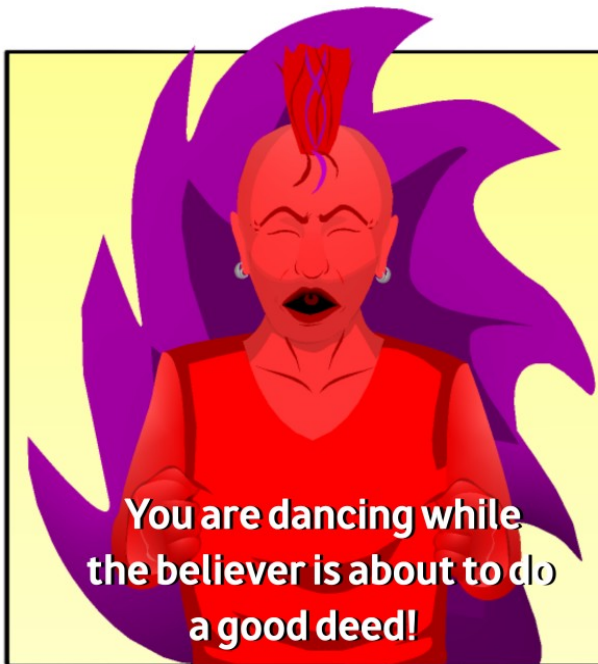

I have an idea!
As in the mighty book!

But

The thing that amazed me the most was when my primary school teacher married a teacher like her

Isn't it strange that they gave birth to a nursery school?!

You're good at making jokes, Aunty

As Dad says..

Hahaha

Hahaha

Finally, ice cream, as I wished from the beginning
